

Join Our Team!

We are three Swedish partners - Adam Bergzén, Martin Sturmhoefel, and Helen Sturmhoefel - with many years of experience in the restaurant industry.

Together, we own and operate four unique and vibrant restaurants: Restaurant Fjellroa, Spiseriet Trysil, Kafé Kasserolle, and Restaurant Pilegrimen. All are located in Fageråsen, a beautiful part of Norway's largest ski resort, Trysil.

Under our company name, Restauranthuset Fageråsen AS, we are passionate about creating memorable experiences through warm hospitality and high standards - both for our guests and our amazing team members. Our focus is simple: satisfied guests, a fun work environment, and being part of an awesome team!

Our vision: **World-class sustainable mountain restaurants.**

Core values: **Hospitality - Fellowship - Know-how**

Whether you're new to the industry or an experienced pro, we welcome all kinds of talent. We look for people who smile easily, love working with others, and bring a positive energy to the job.

Our available positions include:

- Head Chef for Restaurant Pilegrimen
- Chefs
- Waiters/Waitresses
- Dishwasher & Cleaner
- Janitor/Handyman (snow clearing, maintenance, snowmobile transports - Snowmobile license required)

As a part of our team of 25-ish people we offer you a job with great variation. We can organize living accommodations for affordable prices and a seasonal ski pass at a reduced price.

The period of employment varies but the season starts at the beginning of December and runs to the end of April. It is an advantage if you understand and speak a Scandinavian language but it is not a requirement.

Send applications to:

- hanna.aslster@trysil.com - waiter/waitress, cleaner, janitor
- adam@trysil.com - kitchen jobs
- Questions? Contact Helen: helen@trysil.com

Send your application as soon as possible and latest before October 15th. Note in your application what kind of job you are applying for and in which restaurant you would prefer working. We will be recruiting continuously from May.

If you would like a reference how it is to work for us and what Trysil is like you are welcome to contact our team members:

Sustainability

Restaurant Fjellroa is certified with Eco-Lighthouse and we include all employees in the sustainability work and we include sustainability when we make decisions. We focus our sustainability work on four main areas: saving energy, reducing waste, sourcing good products and influencing all our stakeholders (guests, employees, suppliers and partners). For example, we only use green electricity, we reduce disposable materials, we serve dishes of different sizes, reduce the proportion of beef, offer more vegetarian dishes and one dish is labelled "most climate friendly dish"

You can read more about our sustainability strategi on our websites.

Welcome with your application!
